To Whom It May Concern:

Behr Process Corporation has utilized Apex Business Solutions' consulting services since July of 2006. Apex has provided Behr with excellent support in the areas of Supply Chain Consulting and SCM business requirements, and played a key role in Behr's SCM (APO) project implementation.

Apex Business Solutions has served as a major contributing factor to the successful implementation of SAP SCM. I can confidently recommend Apex Business Solutions as a solid and reliable supplier, and experts in their field.

Sincerely,

Beth Galliher
Vice President of Information Technology,
